THE GROWTH OF AN ENTERPRISING REYNOLDSVILLE BUSINESS HOUSE.

From a Small Clothing Establishment in 1892 it has Grown to be One of the Large Department Stores of Western Pennsylvania.

MILLIREN'S DEPARTMENT STORE BUILDING.

In January, 1892, Glen A. Milliren opened a gents' furnishing store in the smallest store room in the Bee Hive block. His stock was not very large and Glen's experience was not extensive in that line of business, but he had a large supply of enterprise and push, consequently he built up a good trade. In 1895 his business demanded larger quarters and he rented one of the large store rooms in the S. T. Reynolds block, now National Hotel. When the change was made to the new and larger room Charles M. Milliren, brother of Glen, became a partner, and their business continued to increase. Last year, when it was decided to make a hotel out of the Reynolds block and Millirens had to move their store, there was no vacant store room in town large enough for them and they finally decided to buy the sixty foot lot east of the National and put up a large building for themselves. The work was started early in the summer, but Millirens had to vacate the room in Reynolds block and they moved their goods to a tent on a vacant lot almost opposite THE STAR office, where they did business all summer. From the

tent they moved to a store room in opera house block until their new building was ready for occupancy. The 21st of last November they moved into their new building and opened a department store and now have a fine store. Charles M. Milliren is manager of the store at this place and Glen A. Milliren is manager of the large clothing store that they bought in Kane about two years ago. Walter H. Clare has charge of the dry goods department of the Reynoldsville store. The Milliren block is 60 feet wide and 100 feet deep. The sides and rear are red brick and the front is Amhurst Blue Ohio Stone. The front is colonial style, giving the building a beautiful and imposing appearance. The stone work was done by B. C. Skinner, a skilled and artistic stonemason. The first floor of interior is one large room, with clothing and gents' furnishings on one side and dry goods, notions, &c., on the other side. All the interior woodwork is finished in natural yellow pine. The fixtures are oxidized copper, the ceiling is steel. The Lamson Cash Carrier System is used in each department. Gas and electricity are used for

lighting purposes. The entire building is heated with steam. There is a dressing room and two toilet rooms in rear part of store room. The store is complete in all departments, and has a cliffed appearance and is a credit to our town. Millirens are to be congratulated on having such a fine store and building. The second floor of this building is now being fitted up for the Elk lodge, and when completed will be as fine lodge rooms as can be found in this section of country. There will be eleven rooms altogether, ladies' parlor, gentlemen's parlor, billiard room, dancing hall, with a small stage in one end, card room, lobby, kitchen, two closets and bath rooms. The dancing hall will be used for banquets. There will be sliding doors between most all the rooms so that they can be thrown open to accommodate a large crowd on special occasions. We will give a write-up of the Elk rooms when ready for occupancy. Besides Charles M. Milliren and Walter H. Clare, who have already been mentioned, the following persons are employed in this store as clerks: Irvin Klock, A. G. Milliren, Effie Milliren, cashier, Cora Milliren, Emma Davis, Mrs. Walter H. Clare, Geneva and Joan Milliren.

Town Council Meeting.
The regular meeting of the town council was held Tuesday, June 3rd, with President H. C. Deble in the chair and all members present but Mr. Cottle. Minutes of the previous meeting read and approved. Secretary Board of Health reported receipts to be \$25.55 and paid over the same to the treasurer. C. Mitchell, Chief Burgess, reported receipts for fines, licenses, and permits since last meeting to be \$24.70. Mr. R. D. Muir was present and wanted council to furnish sewer pipe in front of his lot on Hill st., which was referred to the street committee. The light committee reported that the Reynoldsville Light and Power Co. wanted to be exonerated from paying the pole tax of the old company. On motion the matter of pole tax was referred to the solicitor for settlement and after the necessary repairs are made and the arms put in good condition to the satisfaction of the light committee an order shall be ordered drawn for the payment of the amount of their bill. On motion all accounts due the borough on the Hill street sewer be placed in the hands of the solicitor for collection. Mr. Thos. Clawbaugh tendered his resignation as assistant policeman. On motion was accepted. The President appointed Messrs Ritzie and Applegate a committee to secure a policeman for east end. Bills amounting to \$221.52 were ordered paid. A petition from the merchants asking permission to sell fire crackers on July 3, 4, and 5th was read, and on motion the permission was granted. By motion the president and clerk were authorized to sign the agreement made between Mr. Albert Reynolds and Reynoldsville Borough, for the widening of Fifth street. Ordinance No. 78, to widen Fifth street to 50 feet from Jackson street to Sandy Lick creek, was passed on first reading. Notices were ordered sent to the following persons to build permanent side walks in front of their lots on South side of Main street, in burnt district, I. O. O. F. No. 824, E. Weiser, J. H. Murray and E. C. Burns.

(No. 78.)
In pursuance of an Act of Assembly entitled, "An Act amending Section 9 of an act, approved May 16th, A. D. 1891, enabling municipal corporations to lay out, open, widen, extend and vacate streets or alleys upon petition or without petition of property owners," approved May 22, A. D. 1895. The following ordinance was, upon the 3rd day of June, 1902, introduced in council.
Attest, L. J. MCENTINE,
Clerk of Council.
An ordinance widening and opening to the uniform width of fifty feet, Fifth street from the west line of Jackson street, in the borough of Reynoldsville, to the borough line at Sandy Lick Creek.
WHEREAS, to No. 4 December Sessions 1898, A. D. in the Court of Quarter Sessions of Jefferson county, a public road was laid out and ordered to be opened thirty three (33) feet wide by said Court.
WHEREAS, the report of the viewers described said road in the borough of Reynoldsville as "Beginning at a point in the center and western end of 5th street, in said borough, thence south 50 degrees west over land of A. Reynolds, five hundred (500) feet to the Reynoldsville and Falls Creek railroad, thence in the same direction over same land to Sandy Lick Creek and the line of the said borough of Reynoldsville, fifty-five (55) feet," etc.
WHEREAS, said public road was opened by the said borough to the width of thirty-three (33) feet and has been and is now a public road, therefore,
Be it enacted and ordained by the Burgess and town council of the borough of Reynoldsville, and it is hereby enacted and ordained by authority of the same.
Sec. 1. That 5th street, from the west line of Jackson street beginning at a point in the center and western end of said 5th street, in the said borough of Reynoldsville to Sandy Lick Creek and the line of the said borough, is hereby opened and widened to a uniform width of fifty (50) feet, the center line thereof being described as follows:
Beginning at a point in the center and western end of 5th street on the west line of Jackson street, in the borough of Reynoldsville, thence south 50 degrees over land of A. Reynolds five hundred (500) feet to the Reynoldsville and Falls Creek railroad, thence in the same direction over the same land to Sandy Lick Creek and the line of the said borough of Reynoldsville, fifty-five (55) feet, as surveyed and described in the viewers report aforesaid.
Section 2. The damages caused thereby and the benefits to pay the same and the damages caused by the opening, widening, and grading thereof together with the benefits to pay the same, to be levied, assessed and collected in accordance with the Acts of Assembly in such cases made and provided.
Section 3. All ordinances and parts of ordinances conflicting herewith be and the same are hereby repealed.

A Valuable Publication.

On June 1 the Passenger Department of the Pennsylvania Railroad Company will publish the 1902 edition of the Summer Excursion Route Book. This work is designed to provide the public with descriptive notes of the principle Summer resorts of Eastern America, with the best routes for reaching them, and the rates of fare. It contains all the principal seashore and mountain resorts of the East, and over seventeen hundred different routes or combinations of routes. The book has been compiled with the greatest care, and altogether is the most complete and comprehensive handbook of Summer travel ever offered to the public.

The cover is handsome and striking, printed in colors, and the book contains several maps, presenting the exact routes over which tickets are sold. The book is profusely illustrated with fine half tone cuts of scenery at the various resorts and along the lines of the Pennsylvania Railroad. On and after June 1 this very interesting book may be procured at any Pennsylvania Railroad ticket office at the nominal price of ten cents, or, upon application to Geo. W. Boyd, Assistant General Passenger Agent, Broad Street Station, by mail for twenty five cents.

How Mice Carry Their Young.

M. L. Hetrick, a Washington township farmer who has been existing on this mundane sphere a half a century at least, was in town Saturday and told a little mouse story to a representative of THE STAR. Mr. Hetrick said that he and a son were extracting a stump in one of their fields last Friday and there was a mouse nest under one of the roots of the stump, with an old mouse and four little mice in the nest. Mr. Hetrick says in a second or two the little mice fastened themselves on to the old mouse with their teeth and the mother mouse ran away from danger with the four little mice hanging on. It was the first time Mr. Hetrick had ever seen such a sight and he was greatly interested in it. He followed the old mouse and after going a little distance one of the mice dropped off, but the others hung on and were carried out of danger.

Virulent Cancer Cured.

Startling proof of a wonderful advance in medicine is given by druggist G. W. Roberts of Elizabeth, W. Va. An old man there had long suffered with what good doctors pronounced incurable cancer. They believed his case hopeless till he used Electric Bitters and applied Bucklen's Arnica Salve, which treatment completely cured him. When Electric Bitters are used to expel bilious, kidney and microbe poisons at the same time this salve exerts its matchless healing power, blood diseases, skin eruptions, ulcers and sores vanish. Bitters 50c, Salve 25c at H. Alex Stoke's drug store.
